Wanted 1.6

TOO FAST - TOO FURIOUS

Wanted 1.6

Ya estamos aquí, otro número cargado de material nacional, salvo un par de páginas de New York, que estamos seguros que a ninguno de vosotros disgustarán. Como todos podréis imaginar los acontecimientos ocurridos en los últimos meses en Madrid, han creado una situación un tanto inestable para muchos escritores madrileños, desde aquí esperamos que el tiempo coloque todo de nuevo en su sitio y las cosas vuelvan a ser como antes.

Ahora sin más os dejamos con este nuevo número de Wanted.

Here we are already, another edition full of national material, a part from some pages about New York, but we are sure you won't mind. As you can imagine, the events that occurred during the last months in Madrid, have created an instable situation for Madrid writers. So, we are waiting that time passes on and brings everything back to normal. So, now we let you enjoy this new issue of Wanted.
